Ashland Lions Club
PO Box 150
Ashland Ma. 01721

The Ashland Lions Club was chartered in 1967 with 20 members. Today we are a group of over 100 men and women committed to improving conditions in our community.

The Ashland Lions are part of the world's largest service organization dedicated to meeting the needs of the community, country, and the world.

Membership dues cover all Club administrative expenses. Our charter only allows us to use money raised through fund raising projects for non-profit Lions and community programs.

Lions Objectives

To Create and foster a spirit of understanding among peoples of the world.

To Promote the principals of good government and good citizenship.

To Take an active interest in civic, cultural, social, and moral welfare of the community.

To Unite the clubs in the bonds of friendship, good fellowship and mutual understanding.

To Provide a forum for the open discussion of all matters of public interest: provided however, that partisan politics and sectarian religion shall not be debated by club members.

To Encourage service-minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

In May 2007 the Ashland Lions celebrated their 40th year of service to our community. Since 1967, the members of the Ashland Lions Club have been supporting the goals of Mass. Lions Eye Research and Lions Clubs International to eliminate blindness and give the "Gift of Sight" to those with curable and reversible blindness on state, national and international levels. The Ashland Lions also support many programs in the Ashland community for the betterment of the community and to help the less fortunate.
